

ANNOUNCEMENTS

Best Reviewers Award for 2022

The DEN Open Best Reviewers Award is an annual prize which recognizes the very best reviewers for their high-quality reviews and dedication. Over 194 scholars served as reviewers in 2022, and we are pleased to announce 20 winners who have been selected based on the following criteria:

1. Invitation acceptance rate: 80% and over.
2. Number of completed reviews: 1.5 or above; How to calculate the number of the articles reviewed:
 - a. Reviews/Original Articles ——— x1
 - b. Case Reports ——— x0.5
3. Top 20 reviewers whose average scores for review: eight points maximum and two points minimum, Quality (5-point scale) + Timeliness (3-point scale).

Review period: 1 January 2022 to 31 December 2022
